COMMENTS: Have good new have a price $32,071.00 But they need to make a change @ the sides of Ambo. They feel that the 1½" narrow ear need to be 3" Thick with the radius cut @ the back of Ambo. But that cause a problem that the shelves can not go all the way back to the back of the inside of Ambo. Please Look @ the Drawing & Cost & see if it will work. They will send sample of  @ Bottom Lip of Ambo. If this is a go
